Respected Vice Rector Dankić,

International Burch University organizes the **3rd International Student Symposium**, scheduled on March 5, 2015.

For the third time, we would like to bring students with similar interests in order to explore, challenge and improve their perspectives on a variety of specific topics. The Symposium acts as a platform for professional development of students in terms of scholarly research, and presentation.

The Symposium invites papers in the field of humanities, social sciences, engineering, and technology. We kindly welcome students from all higher education institutions in Bosnia and Herzegovina to apply on burchsymposium@gmail.com.

Attendance and application are free of charge, and University will provide free accommodation for your **two best** students, selected by your University. Other students are also welcome to apply and participate in the Symposium. The lunch for all participants will be provided.

Additional information is available on www.ibu.edu.ba/research, and the deadline for application is February 1, 2015. We kindly ask you to be our partners in the event, for disseminating information to all relevant parties (posters and web) so we could give all students in Bosnia and Herzegovina an equal opportunity.

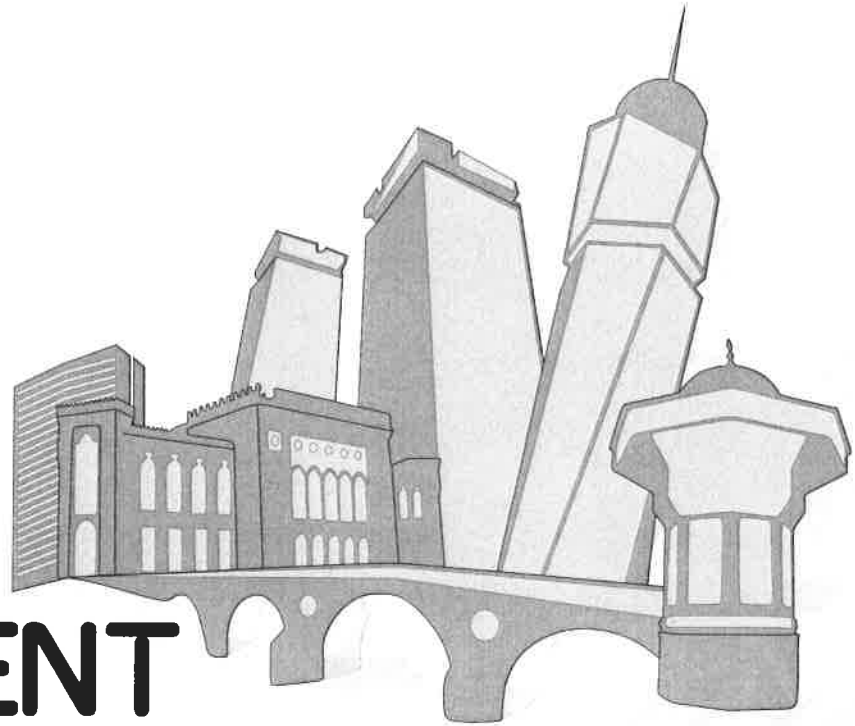

Respectfully,

Assoc. Prof. Dr. Azamat Akbarov
Vice Rector on Scientific Research and
International Relations
