

FACULTY OF CIVIL ENGINEERING UNIVERSITY OF MOSTAR

REFERENCE LIST OF PROJECTS

Ord. No.	Project name	Client	Project manager	Working team	Project type	Time
122	The study of counting and questionnaires of the traffic in HNŽ/K roads for the period 2013- 2016.	Ministry of Transport and Communication HNŽ/K	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Čutura, BSc Danijela Maslač, BSc Ante Maslač, BSc Božo Penavić, BSc	Applied	2013. – 2016.
121	Load testing of the highway viaduct Bilješevo, over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc Ante Džolan, MEng	Applied	August 2012.
120	Load testing of the highway bridge M4 (reconstruction), over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc Ante Džolan, MEng	Applied	August 2012.
119	Load testing of the highway bridge M3 (reconstruction), over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc Ante Džolan, MEng	Applied	July 2012.
118	Load testing of the highway bridge M2 (reconstruction), over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc Ante Džolan, MEng	Applied	July 2012.
117	Load testing of the highway bridge M3, over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc	Applied	June 2012.
116	Load testing of the highway bridge M2,	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc	Applied	June 2012.

	over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj			Dragan Ćubela, MSc Željko Mikulić, BSc		
115	The study of counting and questionnaires of the traffic in HNŽ/K roads for the 2012 th year	Ministry of Transport and Communication HNŽ/K	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Ćutura, BSc Danijela Maslač, BSc Ante Maslač, BSc Božo Penavić, BSc	Applied	2012.
114	Load testing of the highway bridge M4, over the river Bosna, on the motorway Zenica-Sarajevo, the section Drivuša-Kakanj, the subsection Bilješevo-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc	Applied	December 2011.
113	Sanation of the right dam on the Karatok area in Svitava cassette	Agency for the water area of Adriatic Sea, Mostar	Zoran Milašinović, PhD		Applied	2012.
112	Analysis of the exploitation of the underground water resources for the purposes of the rural settlements water supply	Environmental Protection Fund in FBiH	Mirna Raić, MSc	Željko Rozić, PhD Josip Marinčić, BSc Enes Šerifović, BSc	Scientific-research	2012.
111	Revision of the highway on the corridor VC, LOT7: the section Počitelj-Bijača (border with Republic of Croatia)	JP Autoceste FB&H	Mladen Glibić, PhD	Ivan Lovrić, PhD Jaroslav Vego, PhD Maja Prskalo, PhD Željko Rozić, PhD Dragan Katić, MSc Boris Ćutura, BSc Danijela Maslač, BSc Mario Salvarda, BSc Marijan Radić, BSc Braco Žuljević, BSc	Revision	2011.
110	Conceptual design of the wind power plant Velika Vljajna/Jastrebnika	JP Elektroprivreda HZHB Mostar	Ivan Lovrić, PhD	Mladen Glibić, PhD, project coordinator Maja Prskalo, PhD Amira Galić, PhD Željko Rozić, PhD Tihomir Ćavar, BSc Marijan Radić, BSc Danijela Maslač, BSc Božo Penavić, BSc	Applied	2011.
109	Main project of the sewerage system in Dretelj – Čapljina	Čapljina Municipality				2011.

108	Changes and amendments of the regulatory plan "Centar I" Neum	Neum Municipality Council	Jaroslav Vego, PhD	Željko Rozić, PhD Miho Ivanković, BSc Ivana Lukić, BSc	Regulatory plan	2011.
107	Load testing of the highway bridge MO-2, over the river Bosna, on the regional road R445, Bilješevo – Donji Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc	Applied	December 2011.
106	Load testing of the highway bridge over the river Miljacka, on the road M05.0, the section 5. Stup-Mesići	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	November 2011.
105	Project of structure of the expansion of the existing hall	Aluminij d.d. Mostar	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	October 2011.
104	Project of structure of the press platform	Aluminij d.d. Mostar	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	October 2011.
103	Load testing of the highway bridge MO-3, over the river Bosna, on the road R445, Bilješevo – Donji Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	October 2011.
102	Conceptual design of the building for the permanent accommodation of Agency for Education and Professional Training Mostar	Agency for Education and Professional Training Mostar	Dragan Katić, MSc	Robert Raguž, BSc Marijan Radić, BSc	Applied	October 2011.
101	Professional supervision of the rough works on the bearing structure of the FEAL d.o.o. administrative building	FEAL d.o.o. Široki Brijeg		Vlaho Akamdžić, PhD, Dragan Katić, MSc Željko Mikulić, BSc, Eugen Brzica, BSc	Applied	May - July 2011.
100	Professional supervision of the reconstruction and adaptation works on the building No. 18 in the barracks "Stanislav Baja Kraljević"	Agency for Education and Professional Training Mostar	Dragan Katić, MSc	Dragan Katić, MSc Dragan Ćubela, MSc Željko Rozić, PhD Tihomir Ćavar, BSc Željko Dobrinić, BSc	Applied	Mart - May 2011.
99	Load testing of the highway bridge over the abandoned river bed Jale (near Lukavac), on the road M 04.0, the section 3, Doboj-Šiški brod	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Ćubela, MSc Željko Mikulić, BSc	Applied	January 2011.
98	The study of ecologically acceptable throughflow for hydro-electric power plants Jajce I and Jajce II	JP Elektroprivreda HZHB Mostar		Božo Knežević, BSc Zoran Milašinić, PhD	Applied	2011.
97	Amendments to the traffic and spatial analysis of the road network in Županija Zapadnohercegovačka canton	Ministry of Physical Planning, Resources and Environmental Protection in Županija	Ivan Lovrić, PhD	Boris Ćutura, BSc Danijela Maslač, BSc	Study	2010.

		Zapadnohercegovačka canton				
96	Conceptual design of the wind power plant Gradina	Vran - Dukić d.o.o. Tomislavgrad	Ivan Lovrić, PhD	Mladen Glibić, PhD, project coordinator Maja Prskalo, PhD Amira Galić, PhD Željko Rozić, PhD Tihomir Ćavar, BSc Marijan Radić, BSc Danijela Maslač, BSc Božo Penavić, BSc	Applied	2010.
95	Regulatory plan for the residential-business zone in the August Šenoa street in Čapljina	Čapljina Municipality Council	Jaroslav Vego, PhD	doc. Željko Rozić, PhD Miho Ivanković, BSc Ivana Lukić, BSc	Regulatory plan	2010.
94	Regulatory plan of the residential-business zone "Duhanska" Čapljina	Čapljina Municipality Council	Jaroslav Vego, PhD	doc. Željko Rozić, PhD Miho Ivanković, BSc Ivana Lukić, BSc	Regulatory plan	2010.
93	Project documentation of the reconstruction and adaptation works on the building No. 18 in the barracks "Stanislav Baja Kraljević"	Agency for Education and Professional Training Mostar	Dragan Katić, MSc	Dragan Katić, MSc Željko Rozić, PhD Mario Primorac, BSc Zdenko Previšić, BSc	Applied	September - November 2010.
92	Professional supervision of the rough constructive works on the bearing structure of the building "Dom za stare" Grude	Violeta d.o.o Tomislavgrad		Vlaho Akamdžić, PhD Dragan Katić, MSc	Applied	October 2010. - July 2011.
91	Impact monitoring of mineral resources exploitation (acr. IMPACTMIN) – FP7 project	European Commission	Mr. Peter Gyuris, Geonardo Ltd, Budapest, Hungary	Geonardo Environmental Technologies (Hungary) University of Exeter, Camborne School of Mines (United Kingdom) Lulea University of Technology (Sweden) PhotonSplit (Croatia) University of Mostar, Faculty of Civil Engineering (B&H)(Ivo Ćolak, PhD; Ivan Lovrić, PhD; Mirna Raič, MSc; Danijela Maslač, BSc) Institute of Mineralogy, Russian Academy of Science (Russia) Babes-Bolyai	Scientific-research	2010. – 2013.

				University (Romania) Ukrainian Land and Resource Management Center (Ukraine) DMT GmbH & Co. KG (Germany) Vlaamse Instelling voor Technologisch Onderzoek (Belgium)		
90	Conceptual design of the wind power plant Mesihovina	JP Elektroprivreda HZHB Mostar	Pero Marijanović, PhD	Mladen Glibić, PhD, project coordinator Ivan Lovrić, PhD Maja Prskalo, PhD Željko Rozić, PhD Tihomir Čavar, BSc Marijan Radić, BSc Danijela Maslač, BSc Božo Penavić, BSc	Applied	2009.
89	Bosna i Hercegovina: Strateška procjena utjecaja na okoliš slivova rijeka Trebižat i Cetina	SNC Lavalin International Inc., Montreal (Quebec), Canada	Mr. Yves Comtois	Mrs. Flora Anoia Mr. Mirzah Bello Mr. Christophe Rigny Ivana Lukić, BSc Mrs. France Seguin Mirna Raič, MSc Faruk Serdarević, BSc	Scientific-research	2010.
88	Hydraulic study of daily water fluctuation in the bed of T-M-T river downstream from the hydro-electric power plant Peć Mlini	JP Elektroprivreda HZHB d.d. Mostar	Zoran Milašinović, PhD		Scientific-research	2010.
87	Conceptual design of the hydro-electric power plant Mostar 2	JP Elektroprivreda HZHB Mostar	Dragan Radović, BSc Zoran Milašinović, PhD, consultant	Mladen Glibić, PhD Mirna Raič, MSc Gordan Prskalo, PhD	Applied	2009.
86	The preceding environmental impact study of the hydro-electric power plant Mostar 2	JP Elektroprivreda HZHB Mostar	Zoran Milašinović, PhD	Mirna Raič, MSc	Applied	2009.
85	Load testing of the highway bridge over the river Una in Bihać, on the road M-05-1-06, on the border of Republic of Croatia – Bihać – B. Petrovac in km 13+344	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Dragan Čubela, MSc Željko Mikulić, BSc	Applied	October 2009.

84	Load testing of the highway bridge on the access road to the engine house of the hydro-electric power plant Mostarsko blato	JP Elektroprivreda HZHB d.d. Mostar	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	August 2009.
83	Load testing of the newly built highway bridge "RM2" on the regional road R445 Visoko-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	July 2009.
82	Load testing of the newly built highway bridge "RM3" on the regional road R445 Visoko-Kakanj	Hering d.d. Široki Brijeg	Mladen Glibić, PhD	Mladen Kustura, MSc Željko Mikulić, BSc	Applied	July 2009.
81	Study „CAMPUS II“ University of Mostar	University of Mostar	Jaroslav Vego, PhD	Željko Rozić, PhD Dragan Ćubela, MSc Željko Mikulić, BSc Dragan Katić, MSc Ivana Lukić, BSc Boris Ćutura, BSc Mario Štironja, BSc	organization of spatial content for "Kampus II", analysis of spatial and locational aspects as well as technical and technological elements of investment)	Sptember 2008. - July 2009.
80	Waterfall Kravice: Water management and environmental protection of the waterfall Kravice protected area	Ministry of environment and tourism FB&H	Zoran Milašinović, PhD	Mirna Raič, MSc Ivana Lukić, BSc Haris Kalajdžisalihović, BSc	Research	2008.
79	Treaty about subsidizing of the environmental protection projects	Ministry of physical planning, resources and protection of environment in Županija Zapadnohercegovačka canton				2008.
78	Cooperation on the project: Strategic environmental assessment of Trebižat and Cetina river basins	SNC Lavalin International Inc., Montreal (Quebec), Canada				2008.
77	Participation in the realization of the conceptual design for the sanation of Župica dam in Drvar	IGH Mostar				2008.
76	The principal project of recovery and reclamation of the mine "Vihovići" area Mostar	City of Mostar, Vihovići Project Implementation Unit				2008.

75	The report: Planning of the investment in the water supply and the waste water management in city of Mostar – conceptual design	City of Mostar				2008.
74	The study of counting and questionnaires of the traffic in HNŽ/K roads for the period 2008- 2011.	Ministry of Transport and Communication HNŽ/K	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Čutura, BSc Danijela Maslač, BSc Ante Maslač, BSc Božo Penavić, BSc	Applied	2008. – 2011.
73	The study of counting and questionnaires of the traffic in ZHŽ roads for the 2008 th year.	Direction of roads ZHŽ	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Čutura, BSc Ante Maslač, BSc Božo Penavić, BSc	Research	2008.
72	Presentation of the underground water level change in the piezometers in the hydro-electric power plant Mostar, in the period May 2006 – May 2008	JP Elektroprivreda HZHB Mostar	Zoran Milašinović, PhD	Mirna Raič, MSc Vlaho Akmadžić, PhD	Scientific-research	2005.
71	State Analysis of the bed and the riversides of the river Neretva on the section Počitelj - Republic of Croatia	Agency for the water area of Adriatic Sea, Mostar	Zoran Milašinović, PhD	Pero Marijanović, PhD Ivan Antunović, MSc Gordan Prskalo, PhD Amira Galić, PhD Mirna Raič, MSc Stjepan Matić, BSc Predrag Ivanković, BSc	Research	2008.
70	Conceptual design of the well spring Tihaljina arrangement	JP Elektroprivreda HZHB Mostar	Maja Popovac, PhD	Ivica Vučić, BSc Blago Petrušić, BSc Darko Tutiš, BSc Marinko Matijević, BSc Pero Marijanović, PhD,	Applied	June - September 2008.
69	Manufacture of project documentation for deduced state of HYPO ALPE-ADRIA-BANK offices	HYPO ALPE-ADRIA-BANK d.d. Mostar		Dragan Katić, MSc Ivana Lukić, BSc Boris Čutura, BSc	Applied	February - May 2008.
68	Project of structure of the foundations – Anode	Aluminij d.d. Mostar	Mladen Glibić, PhD	Mladen Kustura, MSc	Applied	January 2008.
67	The study of counting and questionnaires of the traffic in HNŽ/K roads for the period 2008. – 2011.	Ministry of Transport and Communication HNŽ/K	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Čutura, BSc Danijela Maslač, BSc Ante Maslač, BSc Božo Penavić, BSc	Applied	2008. – 2011.
66	Revision of the principal project for the regulation of the river Trebižat bed in	Ministry of environment and tourism FB&H				2007.

	the lower flow					
65	Location suitability research programme for the construction of the waste area for Županija Zapadnohercegovačka canton	Ministry of physical planning, resources and protection of environment in Županija Zapadnohercegovačka canton				2007.
64	Project of structure of the foundations – Anode	ALUMINIJ D.D. MOSTAR	Mladen Glibić, PhD	Mladen Kustura, MSc	Applied	August 2007.
63	Modification of steel structure	ALUMINIJ D.D. MOSTAR	Mladen Glibić, PhD	Mladen Kustura, MSc	Applied	May 2007.
62	The customs terminal Doljani in Čapljina municipality	Čapljina Municipality	Željko Rozić, PhD	Ivana Lukić, BSc Miho Ivanković, BSc	Applied	Mart - May 2007.
61	Preliminary architectural design of the “Buhovo” reservation	Tourist Board of Županija Zapadnohercegovačka canton	Jaroslav Vego, PhD	Ivana Lukić, BSc	Preliminary architectural design	June - November 2007.
60	Seismic study for the Secondary school Mostar building	City of Mostar, The implementation team for the reconstruction of the Secondary school Mostar	Mladen Glibić, PhD	Goran Šunjić, MSc	Applied	May 2007.
59	Supervision of the construction of the University of Mostar campus buildings	University of Mostar	Goran Šunjić, MSc	Ivo Čolak, PhD Gordan Prskalo, PhD Marijan Radić, BSc Tihomir Čavar, BSc Dragan Katić, MSc Mladen Kustura, MSc Željko Mikulić, BSc	Applied	May 2007. – June 2009.
58	Final design of the Faculty of civil engineering University of Mostar building – the project of electric and lightning-conductor installations	Faculty of Civil engineering University of Mostar	Goran Šunjić, MSc	Marijan Radić, BSc, designer in chief	Applied	June 2006.
57	Final design of the Faculty of Civil engineering University of Mostar building – the project of water supply line and sewerage	Faculty of Civil engineering University of Mostar	Goran Šunjić, MSc	Željko Rozić, PhD, designer in chief Gordan Prskalo, PhD,	Applied	June - November 2006.
56	Final design of the Faculty of civil engineering University of Mostar building – the project of structure	Faculty of Civil engineering University of Mostar	Ivo Čolak, PhD, dipl. ing. građ.	Mladen Glibić, PhD, designer in chief Goran Šunjić, MSc, designer Vlaho Akmadžić, PhD Dragan Čubela, MSc Dragan Katić, MSc Mladen Kustura, MSc	Applied	July - September 2006.

				Željko Mikulić, BSc Jelena Radić, BSc Ivana Zovko		
55	Preliminary architectural design of Rodoč sports and recreation center	MM-INING d.o.o. Mostar	Jaroslav Vego, PhD	Ivana Lukić, BSc	Preliminary architectural design	December 2005. - April 2006.
54	Reconstruction of technical measuring system and research of the dam and of the underground state in the left bank of the hydro-electric power plant Mostar – 2nd phase	JP Elektroprivreda HZHB Mostar	Zoran Milašinović, PhD	Vlaho Akmadžić, PhD Mirna Raič, MSc Mladen Kustura, MSc Ivica Zovko	Scientific-research	2005.
53	Development of the programme package for online registration of exams at the Health Academy Mostar	The Health academy University of Mostar	Anton Vrdoljak, BSc Pero Marijanović, PhD, coordinator	Krešimir Rakić, BSc	Applied	January - April 2004.
52	The study of counting and questionnaires of the traffic in HNŽ/K roads for the period 2004. – 2007.	Ministry of Transport and Comunication HNŽ/K	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Čutura, BSc Ante Maslač, BSc Božo Penavić, BSc	Applied	2004. – 2007.
51	Main project of water access from the accumulation "Tribistovo" to the drinking water conditioning facilities	Public enterprise for water resources management "Akumulacija Tribistovo" – Posušje	Faculty of Civil Engineering University of Mostar, Integra Mostar, Hidroing – Split	Tatjana Džeba, MSc – project manager Zlatko Langof, PhD - specialist for geomechanics Mladen Glibić, PhD – specialist for structures	Applied	November 2003. – May 2003.
50	Filtrational deformations on the dam profile of the hydro-electric power plant Mostar	J.P. "ELEKTROPRIVREDA HZ-HB" d.o.o. Mostar	Zoran Milašinović, PhD, main researcher, Pero Marijanović, PhD, coordinator	Maja Prskalo, PhD Mirna Raič, MSc	Scientific-research	September – November 2003.
49	Supervision of the construction of the water reservoir "Orlac" Mostar	J.P. "VODOVOD" Mostar	Goran Šunjić, MSc, Pero Marijanović, PhD, coordinator	Goran Šunjić, MSc	Supervision	1 st May – 1 st October 2003.
48	Conceptual architectural and town-planning design for the customs terminal Doljani in Čapljina municipality	Čapljina municipality	Jaroslav Vego, PhD	Mladen Kustura, MSc Željko Rozić, PhD Miho Ivanković, BSc	Applied	April 2003.
47	Final design of the Faculty of civil engineering University of Mostar building – the project of architecture	Faculty of Civil engineering University of Mostar	Goran Šunjić, MSc	Robert Raguž, BSc Ivana Lukić, BSc	Applied	July - September 2006.
46	Dislocation and expansion of the computer center	WUS Austria i Faculty of Civil Engineering University of Mostar	Pero Marijanović, PhD Anton Vrdoljak, MSc, coordinator	Ivan Lovrić, PhD Božo Penavić, BSc Dragan Katić, MSc	Applied	June – December 2003.

				Vlaho Akmadžić, PhD		
45	Morphological specifics and legends of the river Neretva	REC	Pero Marijanović, PhD	Pero Marijanović, PhD	Scientific-research	April - September 2003.
44	Neum – regional system for waste water drainage and for solid waste management	Ministry of environment and tourism FB&H				May 2003. - May 2004.
43	General project of the fence reconstruction for the building of Rectorate University of Mostar	Rectorate University of Mostar	Jaroslav Vego, PhD	Jaroslav Vego, PhD, designer in chief Mladen Kustura, MSc	Applied	February - Mart 2003.
42	Conceptual design of the “IV bojna” street and the crossroads on the Tihomir Mišić square	City of Mostar – south-west municipality	Ivo Lozić, PhD	Ivan Lovrić, PhD, designer in chief Ivo Lozić, PhD Ante Bandić, BSc Nikica Vego, BSc Zoran Sopta, BSc	Applied	January - April 2003.
41	Research of the road network in Hercegovačko-neretvanski canton regarding the traffic demand and capacity	Ministry of Transport and Comunication HNŽ/K	Ivan Lovrić, PhD, main researcher Ivo Lozić, PhD, project manager Pero Marijanović, PhD, coordinator	Ivo Lozić, PhD Pero Marijanović, PhD Ivan Lovrić, PhD Dražen Cvitanić, PhD Stjepan Krasić, BSc Ante Bandić, BSc Goran Šunjić, MSc Dragan Ćubela, MSc Deana Breški, BSc Božo Penavić, BSc Anton Vrdoljak, MSc	Scientific-research	2003.-2005.
40	Programme of the works for the water pump “Gabela polje”	Agency for the water area of Adriatic Sea, Mostar	Tatjana Džeba, MSc, main researcher	Mijo Vranješ, PhD Pero Marijanović, PhD Ivica Antunović, MSc Maja Prskalo, PhD Nikola Markić, BSc Jasminka Antunović, BSc	Research	January - May 2003.
39	The study of counting and questionnaires of the traffic in HNŽ/K roads for the 2003 rd year	Ministry of Transport and Comunication HNŽ/K	Ivan Lovrić, PhD	Mario Rotim, BSc Boris Čutura, BSc Ante Maslač, BSc Božo Penavić, BSc	Applied	2003.
38	Reconstruction of technical measuring system and research of the dam and of the underground state in the left bank of the hydro-electric power plant	JP Elektroprivreda HZHB Mostar	Zoran Milašinović, PhD Pero Marijanović, PhD, coordinator	Maja Prskalo, PhD Mirna Raič, MSc	Scientific-research	2003.

	Mostar – 2nd phase					
37	Preliminary and general design for the Faculty of Medicine building	University of Mostar	Jaroslav Vego, PhD, designer-manager	Designers: Pero Marijanović, PhD, geomechanical elaborate Jaroslav Vego, PhD, project of architecture - designer in chief Robert Raguž, BSc, project of architecture - designer Mladen Glibić, PhD, project of structure - designer in chief Goran Šunjić, MSc, project of structure - designer in chief Gordan Prskalo, PhD, project of plumbing and sewerage, Rafo Mazić, BSc, project of electric wiring Damir Krešić, BSc, project of mechanical engineering installations Jaroslav Vego, PhD, elaborate on noise and vibrations protection Nikica Zovko, BSc, elaborate on workers protection Dragan Katić, MSc, bill of works quantity	Applied	November 2002. - April 2003.
36	Regulatory plan of the settlement "Grabovina" in Čapljina	Čapljina municipality	Jaroslav Vego, PhD	Robert Raguž, BSc Gordan Prskalo, PhD Miho Ivanković, BSc Irena Bakalar, BSc (consultant, freelancer)	Applied	June - October 2002.
35	Insurance of quality of the Old Bridge Mostar reconstruction works	Mostar municipality	Ivo Čolak, PhD Krešimir Šaravanja, MSc, coordinator	Dragan Katić, MSc Svjetlana Pekić, BSc	Applied Scientific-research	May 2002. – January 2003.
34	Engineering activities for the protection of deep ground waters in Čitluk municipality and their register	"BROTING" d.o.o. Čitluk	Marin Barbarić, BSc Mato Goluža, PhD	Roko Andričević, PhD Zoran Milašinović, PhD Josip Marinčić, BSc	Scientific-research	2002.
33	Conceptual architectural and urban	Čapljina Municipality	Jaroslav Vego, PhD	Robert Raguž, BSc	Applied	April - June

	design of the residential-business zone in the August Šenoa street in Čapljina			Irena Bakalar, BSc (consultant, freelancer)		2002.
32	Information and presentation online system of Stolac municipality	Stolac municipality	Anton Vrdoljak, MSc, Pero Marijanović, PhD, coordinator	Mirna Raič, MSc	Applied	May 2002.
31	Final design of a business building in Mostar	Mr. Faruk Čupina	Mladen Glibić, PhD, main researcher Goran Šunjić, MSc, project manager Pero Marijanović, PhD, coordinator	Zoran Mateljak, BSc Vlaho Akmadžić, PhD	Applied	Mart 2002.
30	Systematic development of the banks and the marine resources in B&H	Ministry of construction, physical planning and environmental protection of HNŽ/K	Maja Prskalo, PhD, main researcher Pero Marijanović, PhD, coordinator	Mijo Vranješ, PhD – Faculty of Civil Engineering Split, Croatia Ivan Bogut, PhD - Faculty of Civil Engineering Split, Croatia Mato Goluža, PhD Gordan Prskalo, PhD Jaroslav Vego, PhD Zoran Prskalo, BSc Mirna Raguž, MSc Vinko Rogić, PhD Augustin Meštrović, MSc Amira Galić, PhD Radica Jovanović, MSc Marinko Dalmatin, BSc Đuro Obradović, BSc group of students	Scientific-research	February 2002.
29	Main project of the water supply line network for the settlements in Rama municipality	RAMA municipality	Tatjana Džeba, MSc, main researcher Mato Goluža, PhD, project manager Zoran Milašinović, PhD, coordinator	Ivan Goluža, BSc Željko Rozić, PhD Mirna Raguž, MSc Božidar Goluža, electrotechnician	Applied	February 2002.
28	Conceptual design of the water supply for Trebižat, Zvirovići and Prčavci	Čapljina municipality administration	Mato Goluža, PhD, main researcher Gordan Prskalo, PhD, project manager Zoran Milašinović, PhD, coordinator	Radislav Šprljan, BSc Luka Maslač, BSc Ivan Antunović, MSc Tatjana Džeba, MSc Ivo Goluža, BSc Božidar Goluža,	Applied	2002.

				electrotechnician		
27	Revision of the project of structure for the waste water treatment plant in Grude brewery	Grude brewery	Mladen Glibić, PhD		Applied	January 2002.
26	Revision of the project of structure for residential-business building in Centar II, Mostar	GP Vranica	Mladen Glibić, PhD		Applied	January 2002.
25	Report about the hoisting track bearing capacity in the engine house of the hydro-electric power plant Čapljina		Mladen Glibić, PhD		Applied	January 2002.
24	Load testing of the newly built highway bridge in Čapljina		Mladen Kožul, PhD Ivo Čolak, PhD		Applied	January 2002
23	Modelling of capacity and service level for the crossroads with light signalling		Ivo Lozić, PhD, advisor Ivan Lovrić, PhD, main designer	Dražen Cvitanić, PhD	Scientific-research	January 2002.
22	Traffic analysis and preliminary design of the interchange of principal roads M17 i M6.1		Ivo Lozić, PhD, Ivan Lovrić, PhD, main researcher	Dražen Cvitanić, PhD	Applied	January 2002.
21	Architectural heritage of Mostar during Austro Hungarian administration of B&H	Faculty of Civil Engineering University of Mostar	Darovan Tušek, PhD, Jaroslav Vego, PhD, main researcher		Scientific-research	January 2002.
20	Conceptual design of the water supply for the therapeutic community "Rotimlja"	Center for prevention and extrahospital treatment of drug addiction Mostar	Mirna Raguž, MSc, main researcher, Mato Goluža, PhD, dipl. ing. građ., project manager Pero Marijanović, PhD, dipl. ing. geol., coordinator		Applied	2002.
19	Conceptual design of the water supply from the local well springs for the refugee settlements "Hodovo"	Stolac municipality	Mirna Raguž, MSc, main researcher, Mato Goluža, PhD, dipl. ing. građ., project manager Pero Marijanović, PhD, , coordinator	Mirna Raguž, MSc Ivo Goluža, BSc	Applied	2002.
18	NEAP – national actional plan for environmental protection in B&H	Coordinating board for environment in B&H	Mato Goluža, PhD, project manager and main researcher Denis Zvizdić, BSc, coordinator	Hajrudin Simičić, PhD Duško Đurić, PhD	Research	2001 - 2002.
17	Cross-border management plan for the lower flow of the Neretva river	Ministry of environmental protection and physical planning of Republic	Jasminka Radović, BSc Jaroslav Vego, PhD	Srećko Galić, BSc Mirna Raguž, MSc Natalija Čerčić, BSc	Scientific-research	2001. – 2002.

		Croatia Faculty of Civil Engineering University of Mostar RAMSAR Small Grant Funds, patronage		Andreja Štefan, BSc		
16	DAAD – PROJECT “AKADEMISCHER NEUAUFBAU SOE”		Pero Marijanović, PhD Gordan Prskalo, PhD, main researcher	Tatjana Džeba, MSc Mirna Raguž, MSc group of students	Scientific- research	Academic years 2000./2001. and 2001./2002.
15	Hydrogeological research of the ground waters in the hydro-electric power plant Peć-Mlini and the Ričina river-basin	JP Elektroprivreda HZ HB	Ivica Antunović, MSc Mato Goluža, PhD, coordinator	Maja Prskalo, PhD Amira Galić, PhD Gordan Prskalo, PhD Josip Marinčić, BSc	Scientific- research	2001.
14	Project of structure of the water reservoir 2 x 500 m3 in Orlac near Mostar		Mladen Glibić, PhD			December 2001.
13	Revision of the main and the final project “Recovery of the waterfall and the bed of the river Pliva in Jajce”	JP Elektroprivreda HZ HB	Zoran Milašinović, PhD		Revision	December 2001.
12	Revision of the main and the final project “recovery of the damages above the throughflow in the hydro- electric power plant Jajce”	JP Elektroprivreda HZ HB	Zlatko Langof, PhD		Revision	December 2001.
11	Spatial information and presentation system of the factory “Aluminij” Mostar	Aluminij d.d. Mostar	Pero Marijanović, PhD	Dražena Tomić, PhD Ivica Ćorić, BSc Vesna Raspudić, PhD Goran Šunjić, MSc Dragan Katić, MSc Anton Vrdoljak, MSc Božo Penavić, BSc Krešimir Rakić, BSc	Applied	September - October 2001.
10	Numeric modelling of prestressed structures	Faculty of Civil engineering University of Mostar	Ante Mihanović, PhD Mladen Kožul, PhD, main researcher		Scientific- research	September 2001.
9	Preliminary design of the ring road of Rodoč and its joints with the existing and planned roads. The Solution of the interchange with the south ring road of Mostar		Ivo Lozić, PhD Ivan Lovrić, PhD, main designer	Dražen Cvitanić, PhD	Applied	May 2001.
8	Manufacture of the land register of		Gordan Prskalo, PhD	Željko Rozić, PhD	Applied	January –

	illegal waste areas and dumps in the area of Hercegovačko-neretvanski canton and Županija Zapadnohercegovačka canton			Mirna Raguž, MSc Anton Vrdoljak, MSc grupa studenata		June 2001.
7	Geological and hydrogeological researches for manufacture of conceptual design of the hydro-electric power plant Mostarsko blato	JP Elektroprivreda HZ HB	Ivica Antunović, MSc		Research	June - September 2000.
6	Geomechanical researches for manufacture of conceptual design of the hydro-electric power plant Mostarsko blato	JP Elektroprivreda HZ HB	Pero Marijanović, PhD	Maja Prskalo, PhD Amira Galić, PhD	Research	September – October 2000.
5	Main project of the water supply of Dubravka visoravan	Zavod za vodoprivredu d.o.o., Mostar and JVP "Vodoprivreda HZ HB - Mostar"	Mato Goluža, PhD, main researcher Gordan Prskalo, PhD, project manager Zoran Milašinović, PhD, coordinator	Tatjana Džeba, MSc Ivan Goluža, BSc Ivan Lovrić, PhD Renata Cvitković, BSc Željko Rozić, PhD	Applied	May – August 2000.
4	Geological and mining classification of the excavated material from the tunnel for evacuation of water in the hydro-electric power plant Mostarsko blato	JP Elektroprivreda HZ HB	Pero Marijanović, PhD		Research	May 2000.
3	Water supply system Dubrave – global economical aspects of the investment enterprise	JVP "Vodoprivreda HZ HB - Mostar"	Željko Rozić, PhD, main researcher Mato Goluža, PhD, project manager Tatjana Džeba, MSc, coordinator		Research	April 2000.
2	Initial bases of the water resources management information system for the Adriatic Sea water area	Agency for the water area of Adriatic Sea, Mostar	Pero Marijanović, PhD Mato Goluža, PhD, coordinator	Vesna Raspudić, PhD Tatjana Džeba, MSc	Applied	April 2000.
1	Numeric modelling of thin staves bending	Faculty of Civil engineering University of Mostar	Ivo Čolak, PhD Blaž Gotovac, PhD, project manager		Scientific-research	January 1999. – July 2001.
