

Hello from Vienna!

Now, it is time to inform you about the Summer Schools organized by INNES – International Network for Educational Support during the Summer 2014 in Vienna.

This year you can choose among the following excellent Summer Schools (all in English language!):

1. Vienna Green Summer Academy (Prof. Karin Stieldorf, Vienna UT) – 2013 Winner of Solar Decathlon in Irvine/California

More than 20 prominent lecturers and experts from the Vienna UT are introducing the students in the most important aspects of energy efficient building.

Period: 07.-25.07.2013 Workload: 60 contact hours / 8 ECTS credits

Field: Engineering and Architecture

2. Disaster Prevention (Prof. Iris Mach, Vienna UT) – (to be published on the INNES webpage in a few days; excellent session dealing with many perspectives of disaster prevention: Fire / Nuclear Hazards / Flood & Tsunami / Earthquake / postdisaster Reconstruction and Trauma Treatment) - to be published on the webpage in a few days

Field: Engineering and Architecture

Period: 07.-18.07.2013 Workload: 45-55 contact hours / 6 ECTS credits

3. Creativity Engineering – from a creative idea to its successful marketing (Dr. Hesam Ostad, Magna Styr / Vienna UT)

Field: Engineering and Management

Period: 07.-25.07.2013 Workload: 65 contact hours / 8 ECTS credits

4. Austrian Architectural Culture (Prof. Caroline Jäger-Klein, Vienna UT)

Field: Design and Architecture

Period: 07.-25.07.2013 Workload: 65 contact hours / 8 ECTS credits

5. Art and the City (Prof. Biljana Arandjelovic, University of Nis)

Field: Design and Architecture

Period: 07.-25.07.2013 Workload: 65 contact hours / 8 ECTS credits

6. Urban Living With Water (Prof. Ljiljana Vasilevska, University of Nis)

Period: 14.-25.07.2013 Workload: 45-55 contact hours / 6 ECTS credits

Field: Engineering and Architecture

If you register and pay before the End of January 2014, we will provide EUR 50 tuition fee waiver!

We look forward meeting you in Vienna next Summer!
